

REMARKS

This Amendment supplements the Amendment after Final filed October 27, 2008.

In a telephone call on January 21, 2009, the Examiner identified items that required correction. Specifically, claim 50 depends from a canceled claim, and the graph on page 19 of the specification should be moved to the drawings. Claim 50 has been amended to depend from claim 30. The graph on page 19 has been deleted, as this graph is not referenced in the description. No new matter has been added.

The Examiner is advised that the amendments made by Examiner's Amendment, enclosed with the Notice of Allowance mailed December 1, 2008, have been incorporated into the above claims.

The application is now ready for issue. If there are questions regarding this Supplemental Amendment, please contact Applicants' undersigned attorney.
